### **Appointments**

Our clinic offers both walk-in and by appointment consultations. Patients are encouraged to book an appointment, as walk-ins may be experiencing long wait times.

### **Home Visits**

Doctors in our Centre are available for house calls and external visits to regular patients under certain circumstances. Please see the receptionist or call the Centre to request a home visit.

### **Electronic Communication/Telephone Policy**

Unless it is an emergency, we do not disturb Doctors during consultations with telephone calls. A message can be taken by reception staff and sent to the Doctor electronically for their response. Patients contacting the Practice by email can expect to wait up to two days for a response. Our Practice will not send any personal information by email unless specifically requested in writing by the patient.

### **Test Results**

We encourage all patients to follow up on all tests performed.

The follow up of your results are your responsibility.

If you have been sent for some tests, please contact practice nurse for the results 2-3 days later.

You will need to make an appointment to discuss your results in detail, with your treating doctor.

If you are required to have an appointment earlier, the practice nurse will contact you.

If your results are normal, we will not contact you. You are welcome to phone us to check if your results have been returned to us, but you will have to make an appointment to discuss these results.

### **Patient Feedback**

Please feel free to talk to your Doctor or reception staff if you have any suggestions or are unhappy with our service. Alternatively, you may prefer to contact:
